Tyler is an incredible TA! He is so engaging and patient, and super willing to take time even outside set office hours to help me with assignments. His explanations of class concepts are very clear and helpful. I think he's the best TA I've had throughout all my time at Penn. Really appreciate him getting to know us individually as well and his asking how we're doing during office hours!

Tyler is a very good communicator, and his recitations were very enjoyable.

The best TA ever. Thank you so much for a great semester, Tyler!

Tyler was very accommodating and helped greatly in me understanding the course content!
